

Calling All Volunteers:

The Center needs help in the following areas as soon as possible. Please consider helping us wherever and whenever you can.

Andrea

Newsletter Folding: We are shooting for prepping for a mailing on **Thursday, 1/26, 1/27 and 1/30.**

Senior Connections: Our adult day program is looking for help handling lunch time activities and some substitute coverage during Center hours.

MOW Drivers: Many of our drivers have taken the time to travel recently. We could use help delivering meals to 80+ seniors over 6 routes daily.

Medical Transport Drivers: This service helps seniors get to their appointments in the Merrimack Valley, Burlington, Peabody, Danvers and some in Boston.

Merrimack Gender Studies Event: Need all Women! This is a great 2 hour program working with the Gender Studies class out of Merrimack College. The students come here to the Center to discuss what your experiences are growing up as a woman! We all love to talk about that! The date is Thursday, Feb 23rd from 2-3:15pm. Call the front desk to sign up and let us know which date you are available. Please leave your phone # and email.

Intergenerational Literacy Project with Wood Hill Middle Schoolers: Thursday, February 16th at The Center at Punchard. **41 Seniors Needed! Please call [978-623-8320](tel:978-623-8320) to sign up.**

You will need to bring an artifact from your life, for example, a rotary phone. Something the kids would not be exposed to today and then the kids will bring an artifact from their lives to have a fun, open discussion to promote community and Fun.

Andrea Zaimes

Volunteer Coordinator
