

**March, 2017**

**A Note from: Annmary I. Connor, LICSW  
Director of Elder Services**

**As we enter into March so much is happening!**

On the forefront we have a new speaker series entitled **"Living Healthy" on Thursdays**. We also have a **"Meet and Greet" with Town Department Heads**. This is an opportunity to ask questions to various department heads. **"Prevent Medicare Fraud"** discussion will take place on Friday, March 10 at 9:30 am.

We will be hosting our annual **St. Patrick's Day Luncheon** at the "Town House" on Friday, March 24.

As a reminder we offer **FREE tax services** courtesy of an AARP funded program. Please review the circuit breaker as another potential opportunity.

I would like to encourage you to check out our drop in groups and try something new. Did you know that no skill is required; we encourage you to try something new! We have some great groups: cards, wood carving, crafters, singers and so much more.

**I would like to highlight some supporters over the past month.**

\*The *Andover Fire Department* graciously donated the new smart board in the Four Seasons Room; this will expand our ability for lectures and more.

\*I would like to thank the *Andover Senior Community Friends* for their support of the birthday parties and the upcoming health fair in May.

\*I would like to thank *Karma Restaurant* for the delicious food at our highly successful Chinese New Year Event, in which we had over 140 people in attendance.

**Wishing you a warm spring!**
